

Proposed Bill Request System 2023 Session

The Proposed Bill Request System has minor changes for the 2023 Session. The most significant enhancement, a proposed bill request can be canceled or revised from the Track Request screen prior to LCO completing and releasing the proposed bill.

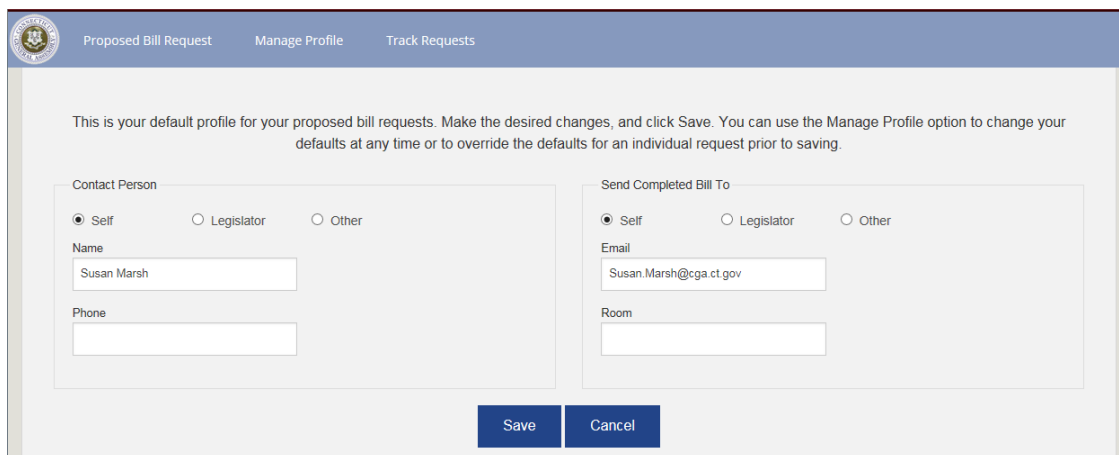

To Access the System:

On your CGA computer, open CGALITES and click on **Proposed Bill Request** from your **My Job** list.

On a non-CGA computer, tablet, or smartphone, go to <https://www.cga.ct.gov/asp/CGAPBR/default.aspx> to login. (You may want to create a shortcut for future use.)

First-time Login:

You will be directed to the **Manage Profile** page. Enter your preferences for Contact Person and to whom the completed bill will be sent and click Save...

For non-Legislators, the options are Self, Legislator, and Other.

For Legislators, the options are Self and Other.

To Log Proposed Bill Requests:

Click the Proposed Bill Request tab of the request application.

Track Requests

The Track Requests page lists all requests you are authorized to see.

Legislators will see all requests where they are the 1st introducer.

Non-Legislators will see all requests that they logged, in addition to requests on which they were specified as the *Send Completed Bill To* person.

Click the **LCO** number to view your request.

Click on  in the Document column to view a released LCO.

Click on  to send to the clerk of your chamber to be filed.

Click on  to cancel a request that you do not intend to file.

Click on  to request a revised version of this request. This request will be canceled and a new LCO containing your revision request will be created.

Click the **Bill Number** in the Bill # column to view the bill status page if the bill has been filed.

The status column shows the current status of requests as they are processed. Possible statuses are: Submitted (SRO only), Logged, Released, Rejected, Cancelled, To Clerk, and Filed.
